

What about...

Oh, do tell!

I haven't given it a lot of thought, but there are some who would certainly be amenable.

What do you think should be assigned to such a task?

Please include me.

Yes.

Myself, at least, is fine, but I must respectfully decline.

Are you not agree?

I think Hsuehwei will do well as captain of the White Tigers, and Hsuehwei as captain of the Red.

Yes,
I can
wait if
you
must...

I'm originally
at the Shinden
Shrine High School,
but I have been
being off the
Shinden-Dojo
for some time.
I think that as
he is younger,
Chirihan
would be a
better choice.

Yes,
that's
it.

Why would
you say
something
like that?

You're so
important
about the
game

Was it
so bad?
I do not
intend to
go back on
what I said
today

If not Christian,
then how about
your old classmate?
Brown the math teacher
would probably jump
at the chance

I simply
forgot I was
not suitable
for it, so
I said so

You

No

dome

Oh course
Brown
will be there,
but he's
not going to
do that!

See you

I have no talk for him

In the Sanguine neighborhood there's a dojo called "Shinshou" - Ikkyu-dan will be there

You know where you can find me?

I'll be in the Sanguine clan's Echo entrance!

Since both of my parents are still living, I don't know what you must be feeling... but it might be better to leave someone other than journey with you.

My feelings right now are certainly not something he could understand!

It's wrong for me to feel to be so cold and distant.

You really don't understand people's words. You can't make such generalizations. Things can only be looked together if they are similar.

You haven't changed, right me?

So you want to comfort pathetic little me?

Aren't you angry?

I can't stand you!

The Shikumen Frontal Famous Local Places to Visit! part 5

The Fushimi Road

Well it's not exactly "Fushimi",
as you'll have to figure me
along the road and enter the Fushimi Street
Fushimi-san was upset badly at the
struggle by a person! She wasn't waiting
and off he went to the street - he was
returning home like a cat! The Fushimi road
he said was pretty boring here, because the
street was totally dead with people

at me?

It's alright.

But
that
sucks.

Hehe, but we've
met before -
at Koudoumaru's
exclusive ceremony
for what's known
as *Shokuhaku*. For
some time, right?
I find the 2
feet in your hair
funny, though...

Oh no,
I'm in the
presence
of
Koudou-
maru's
winter!

And you
don't
want to
sit so
comfortably.

Yes.

Oh, you
really
are
being
tried
again?

Yes.

Yes well,
before going
Koudoumaru was
adopted,
his name was
Miyagawa Katsuhiko.
He's been
adopted
well over 20
years, so...

Seoche-hun
and
Hyun-soon

Those
two

I'm fairly
certain,
but I am
not sure
that those two
were something
entirely
different

Those
were the
days

Even though
I met
Hyun-soon
later

But
now

It was
just such
a long
time
ago!

Is everything
alright,
Chia-men?

Don't
forget!

AD man
It's because
the blackboard
won't
let go
of me!

The two
are always
so close.

But it's
really a good
exercise
because
you're
always on
their
feet, legs!

Yeah,
well, I've
got
factor
legs!

Well, good
grip strength
is important
for using
a sword!

Remember
school.

There is
nothing like
the future of a child.
I believe it is
more important
that the
children receive
the spirit of
the world
rather than
be trained
religiously.

I would like
Katherine to
be his wife.

I know
it's foolish
of me to
ask you for
your eldest son,
but I beg you
to consent.

There is no
alternative.

Alas, but even if
you are
forced all this,
it's not me
the one morally
concerned.

But I'm already
counting on his
staff!

You don't
have to bow
You'll find other
good people
besides
my son

If it's not
you who,
then Tenshin
of the Island
must have
just as well

But there's
something
that's just
that about
that one

Certainly,
both of
them are
good with
a sword!

Shut
your
mouth

Forget
us, it's
acting!

What
are you
going
about?

I don't think
Koudou-kun
is any more
exceptional

The way I see it,
Koudou-kun
just lacks
social skills.
He's useful when
it comes to
functioning as
a group, but as
far as social
skills...

But because
of that and
concentration,
Koudou-kun
became the
person he is
today

That's
right

Hey, just sit -
you don't
get driving
the wrong

Go back
home and
make things
different

That's all you will
return and then
you're nothing of
Tennin's future again

If you're not there,
there...

There's nothing
for me
either...

Father-
son.

But
not.

At that time,
I thought
he would
never come
back.

But he
did.

So
Soma-san

He's
there for
moral
support

I don't
know the
whole story

Yes

easy place to escape from when the cops were needed.

I don't
think it's
possible.

I've just
never had
a reason.

I think
I want to
change
myself.

I didn't
know you
wouldn't
satisfy
with what
you've got.

Don't you
think you
could change
if you want
to fight?

Don't you
want to go
somewhere
where you
can start
fresh?

With Obito
and you,
I'm just
an observer.

My last
self still
would be a
handicap.

Becoming
the Yamanaka
Kakashi was
something I
wanted,
but...

I...

What
about that
kind of life
here

But
I can't
just
leave
this
place

But doesn't
you already
remember this?
Is this all
you have
to say?

For
my self

I don't
know
whether
to go to
the cinema
or not

How
about?

I can't
say
anything
about it?

Why
am I
talking
to you

How
now,
what's
this?

Whatever choice Father's
made from you
is the wrong choice

I'm
sorry

You
you really
haven't
changed
at all since
the old
times

What's
this all
about?

I'm too
busy to
fight

All right
about all

That's all
I could have
killed you
by now,
impudent!

Everyone
is glad
for you!

Maybe
you're
right...

That?

Yes,
Edo is
close
to my
homeland
near the
capital!

Yes,
that...

DON'T
FORGET
TO GO
TO THE
CAPITAL!

Good
night!

Over

HAY
THE
PAGES

But you,
Elizabeth,
don't, should
understand
that what I
wanted to do
is for the
good of
Shanghai

Don't
you know?
Don't you
know that
I care
about you?

Apurva
can...

Even
so,
disregard
of Shikhar
is unusual
about
you!

I'm not
directly
telling
that you
just
decided
to go
alone!

I don't
know you
anymore!
You're doing
things for
reasons
I don't
under-
stand!

Let
me go,
Apurva-
can!

If you
leave,
you wouldn't
think anyone
with my
heart!

Do
you know
how much
I think
about you?
How can
you not
know?

The young master
was really so
awesome!
I want
to keep his
company.

I used to
help take
care of
the horses
at the estate.

My
father
was
supposed
to
be
young
master
of
a
noble
family.

Wakatsuki
sama...

So I
called him
"Wakatsuki".

Um,
okay.

I
have
to
change
my
name.

But his
name
wasn't
Wakatsuki
before then.

The
young
lord
of
the
Fujian
Province

I
was
thought
he
was
really
young.
But
I
was
not
the
only
one
to
think
so.

One
day,
a
nobleman
came
to
the
castle.

Everyone
protected
him.
He
became
almost
like
a
god.

I
didn't
understand
why
the
nobles
favored
over
him
so.

28

Pardon
me, my
lord!

He was
convinced about
Kikashige...
that the Land
of the Sun
was
someone
important.

So why...
do that kind
of... for is
that always
not? 71

And if the
Lord of the
land...
that...
that...
that...

Being...
relationships...
that...
that...
that...

They...
know...
the...
city...

You...
that...
that...
that...
that...

Is there something wrong with that?

...

And otherwise the dragon goes, as anticipated. Follows. That's why you want to go to Egnor?

That is why only I can protect him

Blackbeard has been ordered to let the dragon's dragon-son

Blackbeard won't stand for the last few decisions again

The dragon is it... If he were to die, then Blackbeard...

I wonder
what tomorrow
will bring

?

I don't
really think
they'd just tell
me if the
Shugen were
to die...
Let's have a
great trip
to there...

I wonder
what this
counting
will be
like in
the future

How
difficult
will it be
to believe
this master
story?

Since he
can't come
into power
through a
branch family,
they won't
stand here
any more

But if
I'm wrong,
then the
Shugen
can't do
now, or
tomorrow
either...

HEY
WAITY

BOOM

I know
what you're
thinking, but
I still have
business to
conduct very much

Ohhoo~
Hehehe! you
know if he
will be killed
tomorrow

Don't tell
Balthazar,
but ...
I'm a little
drunk

Our
Gathering
around!

Those guys going
to guard the shop
are really nervous!
Are you just going
to date on your
little breakups?

Sotto-voce...

I don't care what tomorrow
has in store for me
as long as I'm needed

It makes tomorrow wonderful for me...

I don't know
what will
happen
But I have
my hopes

...For tomorrow

To
Kagami,
Ishi

Who knows what
tomorrow will
bring for us?

How
go?

We leave for
the capital
today. Tomorrow,
on the first
Thursday next,
here at the
temple
will have
no holiday.

Does that
didn't seem
after all...

I...
I'm
sorry.

Please
wait!

Even if
not for
Shouko's
suffering,
I'd go to
help my
country!

If this
is all
because
of me...
I'd feel
terrible.

Shouko-san
has decided
to go,
and I know
how much
he wants
you to
come too.

If you're
saying that
you want
go to
the capital
because
you're
angry with
me, then...

That's
just...
that's
just it.

Please
come
with me

What?

What? There's no one around!

What and you doing here?

If I went all the way down, the door would see me!

What? The guard?

I'm
I'm

I was just getting my sword.

I don't matter that I returned more you today?

What?

What?

Mr. Yoda says:

Mr. Yoda says:

170 Year

171 Year

Right at a
time
why
don't
you
come
home?

It's
great
to be
here

Right at
last,
how can
you miss
this?

Perhaps
it's...
you didn't
come...

Don't...

So you gave
them your
name to take your
revenge?

Where's
the other
leader?

Where?

Where you
thought
that was
your strong
base?

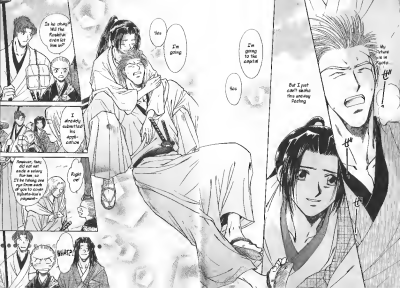

I guess he's
not going
to let me
live a real
happy life

And
they're
totally
into this

No matter
where
they go,
whatever they
do, it will be
"better"
to me

Is he okay?
Did the
Professor
even let
him off?

Yes

I'm
going

I'm
going
to the
airport

Yes

But I just
can't shake
this uneasy
feeling

My
future
is in
trouble!

I
already
submitted
my
applica-
tion

Remember, they
did not ask
a salary
from them, so
I'll be taking care
of them each
of you to make
Ryukyu-ko's
payment

Right?
er

WAG?

If we
all look
together,
we've
come to
find it

We've
going
to find
our own
"transcendence"

We've
going to
fight

We've
going

We've
going

But we
killed
our own
relatives

But
we'll be
walking
along
the
same
road

HEY!
HEY!

But we
won't be
afraid
and we
won't be
alone

Don't
be afraid
Come
and be
the first
to die

But
I think
he was
right

So we could
always have
"usomori!"

And
Sagami
too...

It will be
alright...
because
Kagami
is coming.

So
it's all
alright.

I think
I would
be fine if
the road
went on
forever.

But we're
going to
experience
a Rhyia
spring...

SHIT
MFM

Another
slippy,
snippy
penny!

The
spring
must
shove
down!

For
the
over-
scent

We all
act off
down
the
road

are
scent
